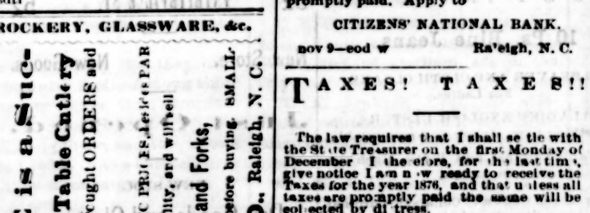
CHANGE OF TRADE MARK.

THE L. & R. THE STAR.



Ammoniated Soluble Superphosphate | Ammoniated Soluble Superphosphate

THE STAR AMMONIATED SOLUBLE SUPER PHOSPHATE, having gained on its own merits, the greatest reputation of any Fertilizer ever sold in the United States,—Other manufacturers, assuming the trade mark of the "STAR," for their articles, much inferior in quality, and that cost 30 per cent. less, in order to make money for themselves, regardless of the interest of the poor farmer. The manufactures of the original "STAR," with ourselves have determined, in order to prevent the great impositions, now being practiced in some parts of the United States, and to save the name of that

GREAT AND GOOD FERTILIZER,

formerly known as the "STAR" to change the trade mark to L. & R. with the above cut, which has been duly patented. Next Season each sack will contain precisely the same Fertilizer as we sold last season, but will be stamped with the new trade mark, and the words

FORMERLY THE STAR AMMONIATED

SOLUBLE

SUPER PHOSPHATE.

will be printed on the back of each sack with the analysis. We refer to all farmers who have used the STAR as to the reputation and value of the article as a Fertilizer.

NEW YORK, Nov. 10—1 A. M.

Z. J. Lemay:

The result assured beyond all question. Florida, South Carolina, North Carolina and Louisiana included, are conceded by all Republicans. Great enthusiasm.

W. T. PELTON.

NEWS OFFICE, Nov. 10, 3:30 A. M.

We have no reason to change previous opinions as to the result of last Tuesday's elections. There is no reason to doubt the election of Gov. Tilden, and it will be seen by a dispatch received this morning from W. T. Pelton, his private secretary, and printed below, that the matter has passed beyond a question of doubt. We are confident of having carried Florida. There can hardly remain a doubt of this. It is equally certain that we have carried South Carolina. Louisiana has unquestionably gone Democratic, but the vote of the State cannot be depended upon, since the Republican Returning Board will return whatever it is ordered to. Our victory, however, is complete without this State, and we appear again, this morning, with the full confidence that all is well with the nation. With this, we proceed to lay before our readers the returns received since our last issue, embracing the County, State and Nation.

FLORIDA.

SAVANNAH, Ga., Nov. 9 2 A. M.—Communication cut off from the middle and west of Florida. Railroad and telegraph lines injured by lightning. Large number of voters were on the train.

LAKE CITY, Fla., Nov. 9—Returns received up to 10.30 this morning show democratic gains, but leave the State in doubt. It is thought that an actual count will be necessary to determine the result. The democrats estimate their majority at 2,500, and claim the republicans at 1,500.

TALLAHASSE, Nov. 9.

Gen. W. R. Cox:

Florida is democratic by 1 500 majority but Chandler telegraphs Gov. Stearns to have the returns altered and cheat us out of it.

A. L. RANDOLPH.
Ch. Dem. Com

LAKE CITY, Nov. 9, 1:45 P. M.—21 counties in Florida give 1,711 republican majority. 18 counties are not heard from, but estimates, based on the election of 1874, give a democratic majority of 1,966, which will make the State democratic by 2,551.

TALLAHASSEE, Nov. 9.

Gen. W. R. Cox:

Our majority more favorable. Both Congressmen Democratic, and the Legislature. The State has gone Democratic by 1,800. Gen. Barnes is elected Senator. The Republicans hope to defraud, but our whole State is cognizant of the intention.

A. B. HAWKINS.

LAKE CITY, Nov. 9.—1:30 P. M.—A steamboat was expected at Palatka this afternoon bringing returns from upper St. John's River counties. Both parties still claim it and nothing is positively known as to the result in Florida.

LAKE CITY, Nov 9—1:45 P. M.—Twenty-one counties in Florida give 1,701 republican majority. 18 counties not heard from but the estimates are based on the election of 1874, give a democratic gain of 1,966, which will make the State democratic by 255.

NEW YORK, Nov. 9.—The Western Union Telegraph Company furnish the following bulletin:

LAKE CITY, Fla., Nov. 9, 9:30 P. M.

Key West, Monroe county, gives Tilden 987, Hayes 988, Republican majority of one. Florida, honestly estimated by Democrats, gives 1,720 majority at the lowest possible figures. No boat yet.

SAVANNAH, GA., Nov. 9.—There is nothing later from Florida. Nothing is expected until the arrival of the St. John river steamer at Palatka.

NEW YORK Nov. 9—The Western Union Telegraph Company received the following dispatch:

LAKE CITY, Nov. 9, 5 P. M.

Further returns from 21 counties in Florida make a Republican majority of of 1,246, with 18 counties to be heard from; 16 of which gave a Democratic majority in 1874 of 1,966. At this rate the Democratic majority in the State will be about 1,500.

NEW YORK, Nov. 9.—The National Republican Committee publishes the following:

"Gov. Stearns, of Florida, telegraphs to-day as follows: There is no doubt of our majority in this State, if we can secure an honest canvass. The indications are that violence is to be freely resorted to so as to prevent any returns from remote points in the interior. Our special train from Tallahasse last night for Chattahoochie to collect returns from western counties was ku-kluxed a few miles west of here and the train thrown from the track.

KEY WEST, Nov. 9.—All the precincts of Key West give 979 for Tilden and 976 for Hayes. Fort Myers precinct gives 22 for Tilden and one for Hayes. The only precinct not heard from will probably cast its entire vote, of about 40, for Tilden, making a probable Democratic majority in the country of 64. In 1874 the vote in the county for Congressmen was Democrats 669; Republicans 657.

The Raleigh News. Daily $5.00 per annum.

NEW YORK.

NEW YORK, Nov. 9.—The Commercial *Advertiser* says the Republicans at headquarters, in 5th Avenue Hotel, are still confident that Hayes has carried Florida, which is all that is required to secure Hayes' election. Dispatches were received from various points in Florida this morning confirming the claim made that the republicans had carried the State. The democrats are quite as confident that Tilden has carried the State. North Carolina is still in doubt (?) although it is claimed by Tilden.

Senator Mitchell telegraphs from Oregon that the State is sure for Hayes. The result will be not satisfactorily settled until North Carolina and Florida are officially heard from.

Dispatches received in this city at noon to-day from Governor Stearns, of Florida, announcing that the State has given 3,000 majority for Hayes.

Secretary Chandler received dispatches from Southern and Pacific States which leave no doubt in his mind of the election of Hayes.

Sheriff Jones, of Jacksonville, Fla., telegraphs that the State is undoubtedly republican. Mr. Motier, chairman of the Republican State Committee, sends a telegraph from Tallahasse claiming the State for the Republicans by 2,000.

Secretary Chandler answers all inquiries by stating that the election of Gov. Hayes is considered beyond doubt.

Senators Borem and Sargent, of California, have telegraphed that the State is Republican by a large majority.

Senator Jones, of Nevada, says that the State elects the republican ticket.

From Louisiana two telegrams have been received this morning from Attorney-General Elliott, and Gov. Kellogg, claiming the State by 10 000.

NEW YORK, Nov. 9.—The *World* has these specials: "Milwaukee, Wis., Nov 8.—Nothing but the official canvass can settle Wisconsin. Both sides claim it by about 1 000 majority." "Chicago, Ill., Nov. 8.—Illinois shows in forty counties a democratic gain of 39,0 0 The State is surely democratic. (Signed) Daniel Cameron, Sec. Dem. State Com." "Carson, Nev., Nov. 7.—The indications are that the State has gone democratic by 1,000 majority." "Yankton, D. T., Nov. 9—Election returns come in slowly, but indicate a larger majority than ever before. Yankton county gives a total vote of 1 407, giving Kidder, republican, for delegate, over Spink, democrat, a majority of 107. All the county republican ticket is elected except one. Outside counties give Kidder a large majority, which will probably reach 30,000."

NEW YORK, Nov 9.—An *Express* extra says it has no reason to change the assertion that a majority of the electoral votes are for Tilden and Hendricks. This, it says, is the voice of the people and nothing can change it but enormous frauds of the returning boards, as in Louisiana in 1874.

The London Pall Mall *Gazette* of this afternoon, commenting upon the Presidential election in the United States, says, "we think it is a craze or a calumny to assert that Mr. Tilden, so distinctively a representative of the business men in the eastern States, will extend any favor to the crude projects of the inflationists, or to the unintelligent dishonesty of repudiationists."

The Liverpool *Post* says the announcement of Mr. Tilden's election is well received in commercial circles.

The News is the only paper in Raleigh taking the telegraphic dispatches.

SOUTH CAROLINA.

CHARLESTON, Nov. 9.—19 counties, all official except 4, give the democrats a majority of 23,613. Eleven counties from trustworthy reports and some official, give the republican majority of 4,159. Only two remaining counties, Charleston and Colleton, where before the election the republicans claimed 4 000 or 5,000 majority. If the result confirms their anticipations, Hampton's net majority would be 2 954, and Tilden's probably 10 or 15 per cent. less. The city is in a condition of feverish excitement to-day.

CHARLESTON, Nov. 9, 7 p. m.—Complete returns from Colleton, and partial from Charleston county, indicate that Hampton has carried South Carolina by from 1,700 to 1 900 majority. The democrats gain 7 Senators and 34 Representatives, giving them a sure majority of one on joint ballot, securing a United States Senator in place of Robertson. The vote for President is still closer. The Democratic committee are confident of a small majority for Tilden.

VIRGINIA.

RICHMOND, Nov. 9—Hinton, democrat, probably elected, making the Virginia Congressional delegation solid.

RICHMOND Nov. 9.—Numbers of negroes to-night are very disorderly. A large crowd gathered in the northern suburbs of the city and marched in procession down Broad street, armed with clubs, &c., throwing stones and breaking a number of windows along the route. A detachment of police charged the rioters and dispersed them. Previous to this the mob went to the residence of Rev. J. W. Dungee, colored, a preacher who has made himself quite prominent as a democratic canvasser, and stoned the house, breaking windows, &c. Subsequently a party of whites went to a negro hotel on Broad street and served it in the same manner. All is quiet now. A private telegram just received here from L. A. Wilkze, Democratic candidate for Lieutenant Governor in Louisiana says, "Louisiana has gone democratic by 12,000."

The Raleigh News. Daily $5.00 per annum.

ILLINOIS.

CHICAGO, Nov. 9.—The only additional Congressional news is that Tipton, Republican, has carried the 13th District, making the fourth Republican gain in the State. Sparks, Democrat, has carried the 16th District by a good majority. There is no reasonable foundation for the claim that the Democrats have carried Illinois. A careful comparison of returns received with the highest Democratic vote cast in 1872, indicate 20,000 Republican majority. The gains of the Republicans in the Congressional Districts are exactly the reverse to the present political character of the Illinois delegation. Two of these gains have been made in Egypt, in the Democratic stronghold, and the Republicans have gained some members of the Legislature also from that section, which would be an impossibility if the Democrats carried the State.

CHICAGO, Nov. 9—The republicans gain five Congressmen in Illinois. The democrats elect the following: Harrison in the 2nd, Hungate in the 10th, Knapp in the 11th, Springer in the 12th, Eden in the 15th, Morrison in the 17th, Townsend in the 19th, and possibly Sparks in the 16th.

JUDSON KILPATRICK--THE CONSPIRACY.

General Judson Kilpatrick is well known to the people of the whole United States, as one of the most blatant, unscrupulous and infamous of all the tricksters and corruptionists who lead the Republican party. During the campaign just closed so gloriously for the Democrats, he won fresh infamy by his letter from Indiana calling for a bloody shirt campaign with money. Among all the deep-dyed political villains who feed upon the hatreds engendered by the war and live upon public plunder, General Kilpatrick is perhaps the wickedest.

He is not unknown to the people of this State. He will be remembered as the only Federal General who had the brazen-faced effrontery to introduce into a respectable North Carolina family, a strumpet disguised in man's attire, when Sherman's army occupied this State. Among all the bummers who brought everlasting dishonor upon that army, Judson Kilpatrick was pre-eminent—"the chiefest sinner of them all."

This man yesterday arrived in this city, and put up at the Yarborough House. He was met at the depot by Mr. Keogh, Chairman of the Republican State Executive Committee, and was by him escorted to the hotel. Without registering his name, as is usual with all honorable travelers, he went immediately to Mr. Keogh's room. There for hours he was closeted with the carpet-baggers A. W. Tourgee, Tim Lee, Col. A. W. Shaffer, the Federal Supervisor, and Hester, the infamous, Governor Brogden, Secretary Howerton, and others.

This emissary from Washington came direct to Raleigh by the quickest route. He sneaked into our midst. He came as "a thief in the night." His coming just at this particular juncture means no good. It means mischief. He is one of the arch-conspirators who to-day are plotting against the liberties, and against the Constitutional, the blood purchased, the sacred rights of the American people. He is here evidently in the desperate hope of laying the plan for some political rascality which may enable the defeated and maddened Republicans to wrest from us the grand victory which we have won over Corruption, Despotism, Thieves and Carpet-Baggers. And his presence here at this particular moment is an insult to our people!

His wicked mission will prove fruitless. North Carolinians will not be cheated out of their rights, by anybody, much less by the infamous carpet-baggers and scoundrels who for eleven years have been protected by a partisan and wicked Federal administration, while they plundered the Southern States, and grew fat upon the ruins of the Confederacy, like buzzards that follow the trail of an army.

We have won North Carolina fairly, squarely, peacefully; without a drop of blood shed, without the denial of a single citizen his right to vote, and without even the faintest suspicion of fraud. And if there be any virtue, any courage, any honor left in the bosoms of the American people, North Carolina's ten electoral votes shall be counted at Washington for the men for whom they were cast—Samuel J. Tilden and Thomas A. Hendricks.

And Judson may as well go back to Washington; and we will feel obliged to him if he will carry with him the carpet-bag plunderers with whom he was closeted last night.

The deep significance of this visit becomes more apparent, when it is known that the Republican Secretary of State, and the Republican Governor were among those who were with General Kilpatrick. The Secretary of State must receive the abstracts of the returns made up by the Registers of Deeds, in the matter of electors for President and Vice-President. And it is the duty of the Governor, or in his absence the Secretary of State, to issue the certificates of election to the electors chosen. Thus it is seen that these two officials have, by virtue of their offices, the opportunity of making an attempt to falsify the returns. They have not the *power* to do it—as the eyes of a hundred thousand true North Carolinians, and of tens of hundreds of thousands of Democrats in other parts of the Union, will be upon the returns and neither the Secretary nor the Governor would, even if they had the inclination, dare to tamper with them! But we are disposed to believe that neither of these officers, as they are native-born North Carolinians, will enter into any such base conspiracy as we think Kilpatrick is here to concoct. However, we have no fears of their making the attempt. Brogden and Howerton are not unknown to us.

SO FAR as heard from, the Republicans have not carried a single county west of the Yadkin. The west is solid for Democracy.

DR. CARSON, the independent candidate for the House in Alexander, was beaten 200 votes by the regular Democratic nominee.

RANDOLPH, which in the beginning of the campaign was boastfully claimed by the Republicans, gives Vance a fine majority.

THE election of Thomas D. Johnston, of Buncombe, to the State Senate, will be heard with delight by his many friends in all parts of the State.

JUDGE SETTLE, it is reported, has gone to Washington, and the party he leaves behind him have gone to —the place whither Zach. Chandler is heading.

MR. DOUGHTY, the independent Democrat in Carteret county, has been beaten, handsomely, by Mr. Geffroy, our regular nominee. Geffroy's majority is 547.

IT would be well for the Chairmen of County Democratic Committees to preserve reports of illegal voters, and rejected votes, with the names of voters or those offering to vote.

So far as heard from, to-day, Catawba can fairly claim to be the banner county of the Democratic party of North Carolina. Vance's official majority is 1,428, which leads Cleaveland several hundred. This is a gain over the Caldwell vote of 593.

THE Democrats have a clear majority of 27 in the National House of Representatives. This will prevent the final consummation of any contemplated attempt on the part of the Republicans to throw out the electoral vote of any Democratic State, in the official count next February.

THE cheering news from Florida and South Carolina last evening made many downcast democrats feel much brighter. Their feelings were expressed by good old sister Shaver, who, when asked about conference times, how she felt, replied: 'O, I feel much better now; I've hugged two of the brethren."

No better idea could be entertained than that the art collection at Philadelphia should be brought to New York and placed on exhibition.

Chattanooga was treated to a rare spectacle the other day, by the burning of the woods and grass on Lookout Mountain. At one time the top was all ablaze, and afterwards the fire crept below the precipice. The *Times* says the mountain was literally a pillar of cloud by day and of fire by night.

Her Majesty Queen Ranovalomanaka, of Madagascar, is a woman of brains. She has issued a proclamation to her subjects solemnly warning them not to have anything to do with the cup that inebriates; and she concludes with a searer addressed to those who sell the pestilent beverage.

The *Golos* a Russian paper, has recently published an elaborate article charging Lord Beaconsfield, Mr. Disraeli, with being in a conspiracy with a German banking firm to "bear" silver and Russian stocks and to "bull" Suez Canal shares. The astounding slander is apparently believed in St. Petersburg.

Captain Henry Cotton, who was the oldest officer on our police force, died at his residence on Bank street, Sunday night at 8:30 o'clock of Bright's disease of the kidneys after a long and painful illness. M. Th. Bentzon, who has written of late a number of striking papers on English literature in the *Revue des Deux Mondes*, thus sums up a careful criticism of Daniel Deronda in the number for October 15: "Of a huge book supposed to be profound, we find at last nothing left with us but a few really dramatic scenes, a few personages sketched from the life, a few true situations and a few very human cries of suffering and of passion."

Germans have generally less good sight than other people. Far more soldiers wore spectacles in the German than in other armies. In the armies of France, Italy, England and Spain, a spectacled man is rarely seen. An examination of the eyes of recruits in Switzerland showed that while thirteen to fourteen per cent. of those from French cantoons had defective vision, twenty-one to twenty-two per cent. of those from German cantoons had this defect.

While we are watching the movements of European States, the following prophecy, made in 1453, when Constantinople was taken by the Turks, may be of interest:

In twice two hundred years the Bear
The Crescent shall assail;
But if the Cock and Bull shall pair,
The Bear shall not prevail.
But look in twice ten years again;
Let Isiam know and fear,
The Cross shall wax, the Crescent wane,
Grow pale and disappear.

It is exactly "twice ten years" since the end of the Crimean war.

POLITICAL NOTES.

Governor Stone, the Democratic Executive of Mississippi is making an economical record for himself. In 1875, under the Ames administration, the State taxes of Mississippi were $18,000. This year, with better schools and a confessedly better government every way, the State taxes are $200,905.

A dispatch from Washington to the Chicago *Times* says, ex-Secretary Bristow proposes to publish a statement showing how differences came to exist between him and Grant in the prosecution of the whisky ring, and how his efforts were rewarded by Grant's turning upon him and accusing Bristow of being in a conspiracy to defame him.

Kilpatrick in the City.

That most unscrupulous and entirely infamous of all the bloody-shirt wavers, Gen. Judson Kilpatrick, arrived in this city last evening by the Raleigh and Gaston train, accompanied by a party, who purports to be his "aide." This sweet brace stopped at the Yarborough House, but did not register at all, their evident purpose being to pass *incognito*. They were closeted all the evening and night at Keogh's room, with many Republicans of the State, native and carpet-bag.

There is no doubt that they have some scheme on foot. Among those in the room were Gov. Brogden, Secretary of State Howerton, A. W. Tourgee, and others, and Ike Young and Tim Lee sat in the hall below, as though they were outguards.

Something is up. Some desperate game is on foot. Everybody is convinced of this, and considering this knowledge on the part of the public and the well-known infamy of the centre-piece of this group of conspirators, no better evidence could be had of the law-abiding and conservative character of our Southern people than that he is allowed to rest in our very midst.

P. S.—It is a matter of interest in connection with this visit of Kilpatrick, that a representative of the press called to see him last evening, and was denied admission, either in his journalistic or individual capacity.

Demonstrative Democrats—Great Election Jollification.

After a day of some anxiety and uncertainty, good news came over the wires last evening from South Carolina and Florida, and the spirits of the democrats were elevated to a high pitch. They took the streets, hooting, blowing horns, popping cannon crackers and raising such a din generally as Raleigh had not heard in many a day. The joyous crowd marched up and down the streets, shocking nervous people out of their chairs and deafening every body. They made a bonfire at the intersection of Fayetteville and Hargett streets and danced around it and indulged in every manifestation of festivity. It was late at night when the last of the tumult subsided and the last of the joyous democrats got off to bed. Indeed, even so late as 2 o'clock, an occasional toot could be heard from a horn in the hands and mouth of one fuller of spirits and exuberance than his fellows.

Victorious Vance.

Our next Governor will arrive in this city this afternoon, provided the people on the line of the road allow the train to proceed, which is a matter of question. We see from the *Observer* that he got through the streets of Charlotte on Wednesday with exceeding difficulty. The people caught hold of him and crowded the man nearly to death. They seized him, lifted him on top of a goods box and had a little speech from him anyhow.

The News is the only paper in Raleigh taking the telegraphic dispatches.

What Difference can a President Make.

Tom Womble, a U. S. Deputy Marshal, who ran against the gallant Moring, who has been so handsomely elected in Chatham, said to the people in his canvass: "What difference does it make who is elected President; he can't do nothin' but denounce 'visions and 'cide votes when they is tied."

He was defeated on this platform.

The Purposes of the Republican Party.

A question freely discussed upon the streets yesterday, was whether if the votes of Florida or Louisiana were necessary to elect Tilden the Governor of the one and the Returning Board of the other would not so manipulate the ballots or the books as to throw out a sufficient number of votes to return the Hayes and Wheeler electors. A great many persons thought that this would be done, while others were of the contrary opinion.

A reporter of the NEWS speaking of this matter to Governor Brogden yesterday, asked: "Do you not believe, Governor, that if the election of Tilden hinged upon Louisiana or Florida, that the Republican leaders would so manage affairs as to count Hayes in?"

"I should not be surprised," was the response of the Governor. We do not intend to imply that Gov. Brogden *knows* anything of such a scheme.

Col. Keogh, the chairman of the Republican State Executive Committee, in conversation with the reporter on Wednesday, said if Tilden's election depended upon a Southern State, it might occasion some trouble.

During the campaign, John Pool said in several speeches in the eastern part of the State, that if Tilden was elected by a Southern State he would not be allowed to take his seat.

Personal.

The gallant Senator-elect from Alamance and Guilford, Col. Thos. M. Holt, is at the Yarborough. No district deserves more praise than the 24th. Col. Holt made, we are informed by eye witnesses, one of the ablest campaigns ever made in the State. He and his popular colleague, Col. J. I. Scales, were elected by 630 majority. Last year Holton, Radical, was elected from the same district, and Col. Morehead, Democrat, got in by 49 majority only. Three cheers for Alamance and Guilford, Holt and Scales!

John M. Moring, Esq., of Chatham, and John N. Staples, Esq., of Guilford, are in the city. Both of these gentlemen are members elect of the House from their respective counties, and both are prominently spoken of for the Speakership.

C. E. Parish, Esq., member elect to the House from Orange, and S. H. Webb, Esq., of Durham, are in the city.

R. A. Jenkins, Esq., the ablebodied representative of the Atlantic, Mississippi & Ohio Railroad, is registered at the Yarborough House.

Col. S. H. Wiley, of Salisbury, is at the Yarborough.

Mayor's Court.

His Honor's levee was quite well attended yesterday. Jerry Smith, colored, was arraigned for being drunk and down, and was fined $5 and cost.

Henry Hartsfield was charged with the same offence and met with the same penalty.

Donald McGregor, white, was charged with being drunk and down, and was given 12 hours in the guard-house.

Oscar Winters, colored, for being engaged in the riot of Monday evening and obstructing a policeman, was fined $25 and costs. An appeal was taken and the prisoner gave a justified bond of $200.

The Governor Declines.

The Governor telegraphed the following message yesterday declining to attend the closing ceremonies of the centennial:

RALEIGH, N. C., Nov. 9 h, 1874.

To the United States Centennial Commissioners and the Centennial Board of Finance, Fairmount Park, Philadelphia:

GENTLEMEN:

I have the honor to acknowledge the receipt of your invitation to be present at the closing ceremonies of the International Exhibition of 1876, on the 10th of November, at Fairmount Park, Philadelphia, for which accept my thanks. I regret that I cannot be with you on that interesting occasion.

C. H. BROGDEN.

Convicts Received.

Deputy Sheriff A. A. Avett, of Anson, arrived in this city yesterday, bringing to the penitentiary two convicts, George Taylor, white, for stealing money, sentenced to imprisonment until January 1879, and Campbell Watson, colored, for breaking into a granary, sentenced to imprisonment for 3½ years.

Sheriff Thos. H. Hughes, of Orange, brought to the penitentiary yesterday Graham Roberts, Wesly Royster, Alfred Thompson and John Baker.

State Treasurer Jenkins.

The Charlotte *Observer*, published at the home of State Treasurer Jenkins, pays the following compliment to that honest and popular official:

"In retiring from office, Mr. Jenkins carries with him the good will of both parties. He has employed in his office able counsel and efficient clerks, without regard to party, to assist him in the management of the affairs of the State, nor has he ever advocated any extreme partisan measures for the oppression of his race and people. Personally, he is kind-hearted, liberal and courteous in all his bearings and has many friends in this section with whom he has differed in politics."

A CARD.

Mr. Editor:

I dislike to appear in the newspapers, but justice to Gov. Holden requires that a statement made in the NEWS of the 7th, in relation to Gov. Holden and Mr. K. W. Weathers, be corrected. I heard the conversation between Gov. H. and Mr. Weathers. The former expressed surprise and regret that Mr. Weathers would vote the Democratic ticket, and told him (Mr. W.) that he had supposed he would not do so. Mr. W. said something about voting a folded ticket, (meaning the Democratic ticket I suppose.) Gov. H. advised him not to do this but to vote in an open and manly way. He persuaded him to vote the Republican ticket, but at the same time told him that as a freeman he ought to exercise his own judgment, but that, as there had been talk about the matter, and as his vote had been doubted, he would advise him to take some friend to bear witness to the fact that he voted the Republican ticket if he should decide so to vote. He was not directed to vote any particular ticket. He was not threatened in any way in relation to his vote, and he was not discharged by Gov. Holden; for after he had voted the Democratic ticket he came in the office on the morning after the election and resigned, (he had previously announced his intention to do so) and retired as one of the clerks in the office, stating that he ought to pursue this course; otherwise it was calculated to embarrass his employer. C. H. BELVIN.

Dispatches from Florida indicate a Democratic majority of 1,200 in that State.

Emil Thomas leads his ticket for Sheriff by 3,500 majority over ex-Mayor Brown, and the remainder of the Republican candidates have an average majority of 1,500.

The Raleigh News. Daily $5.00 per annum.

NEVADA.

VIRGINIA CITY, Nov. 9.—From the best information obtainable, Nevada gives a republican majority of about 1,000.

ATLANTA, GA., Nov. 9.—Senator Jones, of Nevada is here and thinks Nevada will go democratic.

SAN FRANCISCO, Nov. 9.—A Virginia City dispatch, says Hayes' majority certainly is not less than eleven hundred. Republican Congressmen and Judge of the Supreme Court are elected by perhaps one thousand.

CALIFORNIA.

SAN FRANCISCO, Nov. 9.—A dispatch from Virginia City this morning says that Nevada will give 1,000 republican majority. Scattering returns from that state also indicate that the result. Returns are coming in very slowly. In California the returns thus far received, give Hayes 5,400 majority, which additional returns are not likely to vary. For Congress, Davis and Page, republican are certainly elected, and Pacheco, republican, is thought to be elected in the Southern district, running ahead of his ticket. In the 4th district the contest is very close and indecisive and both parties claim it.

WISCONSIN.

MILWAUKEE, Nov. 9.—The republicans will have 18 majority in the Assembly and 11 in the Senate. The majority for Hayes in the State will exceed 5,000.

OREGON.

SAN FRANCISCO, Nov. 9.—No actual figures can be given for Oregon, but the chairman of the Republican State committee telegraphs that the State is sure for Hayes and Wheeler by 1,000 majority.

SAN FRANCISCO, Nov. 9.—Returns from the interior have been very meagre during the day, and the election of congressmen in the 3d and 4th districts is not yet decided. Geo. C. Gorham received a dispatch from Oregon this evening, signed by Senator Mitchell and congressman elect Williams, stating that Senator Kelly concedes the State to the republicans by 800 majority.

KENTUCKY.

LOUISVILLE, Nov. 9.—Returns from the 9th District of Kentucky indicates the election of Turner, democrat, to Congress, in which case the entire delegation from this State will be democratic. Advices from the interior lead to the belief that the majority in this State for Tilden will be fully 75,000.

The News is the only paper in Raleigh taking the telegraphic dispatches.

WASHINGTON.

WASHINGTON, Nov. 9—The best figures give the democrats 27 majority in the next House of Representatives. This estimate concedes to the republicans every reasonably doubtful district.

Morrill is the only cabinet officer here.

Cardinal McClosky will visit this city on the 22 d inst., to unite in marriage his neice, Miss Teresa Muller, of this city and Hon. John Kelly of New York. Miss Muller is a sister of Miss Frances D. Cleary, of this city. The ceremony will take place at St. Matthews' church.

PENNSYLVANIA.

PHILADELPHIA, Nov. 9.—The election of Singer, Democrat, to Congress is claimed by 54 majority.

PHILADELPHIA, Nov. 9.—Susquehana county gives Hayes a majority of 949, a republican gain of 374. This is official. Wyoming county, official, gives Tilden 350 majority, Luzerne county gives Tilden a majority estimated at 300.

ALABAMA.

SELMA, Nov. 9.—Shelby, democrat, is elected to Congress by 177 majority, beating Harralson, colored, the present member.

MONTGOMERY Nov. 9.—Enough returns to show at least 35 000 majority for Tilden and an unbroken delegation of democrats. Congressman Shelly, democrat, in 4th district, has a handsome majority. Rapier and Harralson, negroes, divide the republican vote between them; this makes a gain of 2 democratic Congressmen.

WESTERN UNION BULLETINS.

The Western Union Bulletin give Florida to the democrats by 1,500 majority. The Tribune in summing up the Congressional returns says the democrats will have half their present majority.

The midnight marauder should not be banished from our dwelling any more quickly than should a cough or cold of any kind be driven from the system. Dr. Bull's Cough Syrup quietly yet positively places all colds under its control.

"Throw Physic to the Dogs; I'll None of It."

We do not in the least feel like blaming Macbeth for this expression of disgust; indeed, we are rather inclined to sympathize with him. Even nowadays most of the cathartics offered to the public are great, repulsive-looking pills, the very appearance of which is sufficient to "turn one's stomach." Had Macbeth ever taken Dr. Pierce's Pleasant Purgative Pellets he would not have uttered those words of contempt. It is really encouraging, when one is ill, to find that a little, sugar-coated Pellet, no larger than a grain of mustard, will as promptly produce the desired effect as a dose of great, nauseating pills. These little Pellets, unlike other cathartics, are really nature's physic. They do not debilitate, but tone and invigorate the system. No family should be without Dr. Pierce's Pleasant Purgative Pellets.

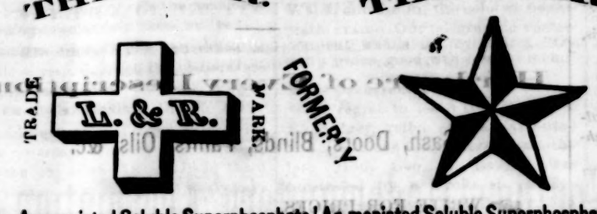
THE L. & R. THE STAR.



Ammoniated Soluble Superphosphate | Ammoniated Soluble Superphosphate

THE STAR AMMONIATED SOLUBLE SUPER PHOSPHATE, having gained on its own merits, the greatest reputation of any Fertilizer ever sold in the United States,—Other manufacturers, are using the trade mark of the "STAR," for their articles, much inferior in quality, and that cost 10 per cent less, in order to make money for themselves, regardless of the interest of the poor farmer. The manufacturers of the original "STAR," with ourselves have determined, in order to prevent the great impositions, now being practiced in some parts of the United States, and to save the name of that

GREAT AND GOOD FERTILIZER,

formerly known as the "STAR" to change the trade mark to L. & R. with the above cut, which has been duly patented. Next Season each sack will contain precisely the same Fertilizer as we sold last season, but will be stamped with the new trade mark, and the words

FORMERLY THE STAR AMMONIATED SOLUBLE SUPER PHOSPHATE

will be printed on the back of each sack with the analysis. We refer to all farmers who have used the STAR as to the reputation and value of the article as a Fertilizer.

THE ELECTIONS.

A STILL SOLID SOUTH!

Florida, South Carolina and Louisiana Democratic!

RADICALS ON THE SWINDLE.

A Gathering at New Orleans

SHALL THE VOICE OF THE PEOPLE BE DEFEATED?

A ROUSING VICTORY FOR NORTH CAROLINA!

Tilden's Majority 18,000---Vance's 15,000!

THE SUN OF RADICALISM SET FOREVER!

THE VERY LATEST.

NEW YORK, Nov. 10.—A dispatch from New Orleans received at the Democratic headquarters here says Louisiana has gone for Tilden by 5,000 to 10,000 majority.

NEW ORLEANS, Nov. 10.—Midnight.—Official and unofficial and reported returns from 51 parishes, including Orleans, give a democratic majority of 9,471—a democratic gain of 6,505. The six parishes to be heard from gave in 1874 democratic majorities of 2,094. The democrats claim the State as absolutely certain, by not less than 6,000, after making liberal allowances for contingencies.

NEWS OFFICE, Nov. 11, 3 A. M.

The confidence expressed in our last issue, of Democratic success in the States of South Carolina, Florida and Louisiana, is now reduced to absolute certainty. The telegrams of last night are sufficient to banish the last vestige of doubt from the mind of every reasonable man. In addition to this, the dispatch of Senator Kelly published in another column, taken in connection with the fact that Oregon went Democratic in the last election, gives us what we consider reasonable grounds to hope that that State has also gone Democratic. If, however, it has not, the fight turns upon the three Southern States hitherto named. That the Republicans will make an effort to defraud us of the fruits of the Democratic victory in these States, cannot be doubted; but with what show of success will probably not be known before Monday or Tuesday next. However, we have an abiding faith in the magnificent genius of the man who has worked out his election by such wonderful generalship, and will not believe that he will permit himself or the country to be deprived of the victory which has been won by such consummate skill and untiring efforts. The latest information concerning the election in this and other States, will be found below:

THE STATE ELECTION.

Surry.

This county gives Tilden a majority of 362; Vance 249; Ratification 307.

Stokes.

Tilden gets 242 majority; Vance 113.

Cumberland.

Official.—The democratic electoral ticket get a majority of 107; Vance and State ticket 47; Waddell, democratic candidate for Congress 56; Troy, democratic candidate for Senate, 24. The two democratic candidates for the House of Representatives, Rose and Godwin, get 49 majority. The Amendments are rejected by a majority of 14.

Davidson.

Davidson goes republican by 121 majority. Money and whiskey freely used by the radicals.

Bertie.

The Republicans will not carry this county more than 465 which is a gain of 100 on the Caldwell vote. Lindsey, the republican candidate for Congress, will get about 300 majority over Yeates, democrat. A large loss.

Moore.

This county gives Vance 138 majority and elects J. D. McIver, democrat, to the House of Representatives. This is remarkably good for Moore as the vote of 282 negroes on the R. & A. L. R. R. had to be overcome, who were not in the county at last election.

Davie.

Vance's official majority is 303; Ratification 344.

Burke.

The official count gives Vance 576 majority in this county; Ratification 663. Vance's gain over the Merrimon vote is 407. Tilden carries the county by 637. J. W. Wilson, Democratic candidate for House of Representatives, is 552. Folk and Young the Democratic candidates for Senate in this District have probably 2,000 majority.

Our Gains in the West.

ASHEVILLE, Nov. 9.

Gen. W. R. Cox:

The returns sustain our last report. In Transylvania we gain about 100 votes. I am satisfied that we gain largely over 3,000 in the west over the Merrimon vote of 1872. We claim that in this district (8th) Vance's majority is 6,000. The Amendments run ahead of the State ticket. The west sends greeting to her eastern brethren. Later returns put the Democratic majority in Haywood county over 700, a Democratic gain of something over 400.

R. M. F.

Hyde.

This county gives a democratic majority of 200. This is a democratic loss of six on the Merrimon vote.

Bladen.

Clark, democratic candidate for House of Representatives is elected. This is a democratic gain. Vance also carries the county.

Brunswick.

This county goes 100 to 150 democratic; a very large gain. Bennett, democrat, is elected to the Senate from this and Bladen county.

Buncombe.

Thos. D. Johnston, democratic candidate for Senate is elected by 800. M. E. Carter and J. C. Sams, democrats, are elected to the House of Representatives by a majority of 837. Vance's official majority is 879.

Madison.

H. A. Gudger, democratic candidate for the House of Representatives is defeated by a very small majority. This is a *democratic* loss.

Yancey.

A large democratic gain is reported in this county. Proffit, democratic candidate for the House of Representatives is elected by a handsome majority.

Rockingham.

REIDSVILLE, Nov. 10.

Gen. W. R. Cox:

The vote heretofore reported for Rockingham is too small. The following majorities are official and accurate: Tilden 657, Vance 579, Ratification 615, Jarvis 591, Engelhard 595. In Congress Scales gets 760 majority. The gain over the Merrimon vote is 352.

Henderson.

This county gives Settle an official majority of 70, a Democratic gain of 140 over the vote of 1872.

Richmond.

Settle's official majority in this county is 145, a democratic gain over the vote of 1872 of 143.

Surry.

In this county Tilden's official majority is 352; Vance 149. Robbins, democratic candidate for Congress gets 372 over Dula, republican. Ratification 307. Graves, democrat, is elected to the House of Representatives. Marler, democratic candidate for Senate gets 492 majority over Jones, republican.

Lenoir.

Settles' official majority is 177; Rejection 330.

SOUTH CAROLINA.

AUGUSTA, Nov. 10.—The United States troops have been ordered from South Carolina to Florida. Two companies stationed at Aiken, leave this afternoon for Tallahasse.

NEW YORK, Nov. 10.—The associated press has received the following from a source other than its regular agents:

CHARLESTON, Nov. 10.—This county gives the republicans 6 213 majority. Nearly all the counties heard from officially or unofficially, give Hampton, democrat, for Governor, 2,213 majority. The democratic Presidential ticket is not cut as much as was at first supposed and it is not believed that Tilden will fall more than 400 or 500 behind Hampton. It does not appear possible for the republicans to overcome the figures above given from the counties not officially heard from.

CHARLESTON, Nov. 10.—The latest revision of the returns by the *News and Courier*, gives South Carolina, beyond all doubt, to Tilden and Hampton by over 1,200 majority.

NEW YORK, Nov. 10—The members of the National Republican Committee express entire confidence that Hayes has been elected. At the democratic headquarters in the Everitt House the Secretary of the National Committee says that the dispatches received to-day confirmed the claims of victory for Tilden.

J. Barnwell Rhett, of South Carolina, telegraphed to the committee this morning that over and above a liberal estimate for republican frauds, the democratic electoral ticket and Hampton were elected by from 1 200 to 2 500 majority. He also said that a dispatch from Stokes Boyd, a prominent politician in Florida, declared that that State had gone for Tilden by a majority of 18 700.

D. Magone, Jr., Chairman of the Democratic State Committee, declared his full confidence that Louisiana and Florida had given democratic majorities, and was not positive, though hopeful, in regard to South Carolina.

CHARLESTON, Nov. 10.—Leading republicans concede the State to the democrats by the returns, but say they will throw out enough democratic counties to reverse the result.

CHARLESTON, Nov. 10.—The *News and Courier* has just received official advices from the last of the counties hitherto reported unofficially, making Hampton's majority for Governor 1 434. Tilden's majority may fall 200 or 300 behind Hampton's, but it is certainly over 1,000. The republicans here do not dispute the correctness of these returns, but say the State canvassers will throw out several of the counties giving large democratic majorities, and that this will give the State to Hayes and Chamberlain. The democrats do not seem to heed this threat, but are firing salutes, and otherwise celebrating their victory.

ARKANSAS.

LITTLE ROCK, Nov. 10.—The election of Congressmen in this the 3rd District is still in doubt between Cravens and McClure, republicans. Only the official count can decide.

Company C, 14th U. S. Infantry, stationed here, was to-day ordered to New Orleans.

MASSACHUSETTS.

BOSTON, Nov. 10.—Dean, democrat, is elected to Congress by the official count.

OREGON.

SAN FRANCISCO, Nov. 10.—Full returns from 20 counties in Oregon show a Republican majority of 1,202. There remains but three more counties to be heard from, two of which will offset each other, and the third will give 50 republican majority.

WASHINGTON, Nov. 10.—Senator Kelly telegraphs to-day to his wife, in this city, denying that he has conceded the State to the republicans. He says the result in Oregon is doubtful, with the chances in favor of a small democratic majority.

OHIO.

COLUMBUS, Nov. 10.—Gen. Wikoff, chairman of the republican State executive committee, furnishes the following information: "The sixty-nine counties of Ohio heard from up to noon to-day, show a republican loss of 162 on Barnes' majority at the October election. The indications are that Hayes' majority will be about 6,000."

COLUMBUS, Nov. 11.—The Republican State Committee now have semi-official returns from 86 out of 88 counties of Ohio, which show a net republican gain of 623 over Barnes' majority in October, which was 6,636. If the two counties still out should cast exactly the same vote they did in October, Hayes' majority will be 7,259.

CALIFORNIA.

SAN FRANCISCO, Nov. 10.—Returns from the southern district do not yet certainly show whether Pacheco, rep. or Wigginton, dem. is elected. The chances favor the former. Luttrell, dem. is probably elected in the 3d district.

Nothing additional has been received from Oregon or Nevada.

NEW YORK.

NEW YORK, Nov. 10—11 P. M.

Sion D. Williams:

Returns received to-day from the South confirm the reports of last night. We have, undoubtedly, decided majorities in Louisiana, Florida and South Carolina.

W. T. PELTON.

INDIANA.

INDIANAPOLIS, Nov. 10.—72 counties in full show a Democratic gain of 263 over the October election. The counties to be heard from gave a net Democratic majority of 5,349 to which is to be added 114. Tilden's probable majority 5 463.

INDIANAPOLIS, Nov. 10.—Returns from all but three counties give Tilden 3,887 majority, a democratic gain of 251. Three counties to be heard from—Adams, Crawford and Pike—gave 1,563 democratic majority last month, indicating a majority for Tilden of 5,450 in the whole State.

FLORIDA.

NEW YORK, Nov. 10.—A Western Union bulletin, dated Lake City, Nov 9, midnight, says: "The Jacksonville *Press* will issue a leader tomorrow, giving Florida a democratic majority of 1 638 prepared by experienced men, and based on reliable returns and carfully compiled estimates."

WASHINGTON, D C., Nov. 10.—A Western Union bulletin, dated Lake City, Nov. 9, 11:30, says: "The steamboat referred to, reached Palatka at 11 p m, with the returns from St. John's River, showing increased democratic majorities. It is conceded by the best informed that the State will give at least 1,700 majority."

NEW YORK, Nov. 10.—The *Herald* bulletin says that full returns from 23 counties give Florida to Hayes by nearly 5,000 majority. The republicans claim that Hayes will carry the State by over 1,200.

NEW YORK, Nov. 10.—The following bulletin is posted at the *Herald* office: A private dispatch just received at the democratic headquarters, says that Florida has gone democratic.

The *Evening Post* bulletin has the following: The revenue collector at Jacksonville, telegraphs that he is sure the State is republican.

WASHINGTON, D. C., Nov. 10.—Four companies of United States troops left South Carolina to-day for Tallahasse, Fla., Gen. Ruger accompanies them.

NEW YORK, Nov. 10.—The Western Union Telegraph Company bulletins the following:

LAKE CITY, FLA., Nov. 10, 1:30 p. m.—Partial returns from Manatee county, from reliable sources, give a democratic majority of 338, a democratic gain of 166.

NEW YORK, Nov. 10.—Secretary Chandler to-day received the following dispatches:

TALLAHASSEE, FLA, Nov. 10.

Returns from 23 counties give the republicans 4,500 majority. Thirteen counties to hear from cannot reduce this majority below 1,000.

(Signed,) M. MARTIN,
Chm. Rep. Cam. Com.

The following dispatch was also received:

TALLAHASSEE, FLA., Nov. 10.

All quiet in the State as far as we know. Since last night the county canvass has been completed in two or three counties. Jefferson, Madison, Leon, Gadsden and Duval give 6,000 republican majority—a large gain.

(Signed,) M. MARTIN, Chm.

WASHINGTON, Nov. 10.—General Sherman last night received telegrams from the Secretary of War, who is in Philadelphia, to order General Ruger to send as many companies of troops to Tallahassee as could be spared and to go himself in person. General Ruger answered that he had ordered nine companies and would order five more, and would go in person as ordered.

General Sherman to-day received the following dispatches from the President:

PHILADELPHIA, Nov. 10.—*Gen. W. T. Sherman*, Washington.—Instruct General Augur in Louisiana and General Ruger in Florida to be vigilant with the force at their command to preserve peace and good order and to see that the proper and legal boards of canvassers are unmolested in the performance of their duties. Should there be any grounds of suspicion of fraudulent count on either side, it should be reported and denounced at once. No man worthy of the office of President, should be willing to hold it if counted in, or placed there by fraud. Either party can afford to be disappointed in the result. The country cannot afford to have the result counted by the suspicion of illegal or false returns.

(Signed,) U. S. GRANT.

PHILADELPHIA, Nov. 10

Gen. Sherman, Washington, D. C.—Send all the troops to General Augur, he may deem necessary to insure entire quiet and peaceable count of the ballots actually cast. They may be taken from South Carolina unless there is reason to suspect an outbreak there. The presence of citizens from other States, I understand, is requested in Louisiana, to see that the board of canvassers make a fair count of the vote actually cast. It is to be hoped that representative and fair men of both parties will go.

(Signed,) U. S. GRANT.

SAVANNAH, GA., Nov. 10.—Transportation has been ordered for troops to pass through this city to-night for Florida. Advices from Florida say that the State has undoubtedly gone democratic by 2 000 majority. There has been no disturbance as far as heard from.

SAVANNAH, Nov. 10.—Advices to-night from reliable sources say that Tilden, Drew, the Congressmen and Legislature are elected in Florida. The eight counties of Duval, Alachua, Gadsen, Jefferson, Leon, Madison and Nassau, give an aggregate republican majority of 6,534. The other counties of the state certainly go democratic. Returns from 13 counties, Baker, Bradford, Clay, Columbia, Hamilton, Jackson, Levy, Monroe, Orange, Elk, Putnam, St. Johns and Pawnee, give aggregate democratic majorities of 3,620. The remaining 18 counties in 1874 gave democratic majorities, aggregating three thousand 206. This without any doubt would give a total majority of 6,524, and elect the democratic ticket by a majority of 292. The 18 counties to hear from, however, will certainly increase the majority of 1874 from 1,200 to 1,500, and the entire ticket will be elected by a majority ranging from 1,200 to 1,500. The State has most certainly gone for Tilden and Hendricks.

The radicals will endeavor to change the result by State canvass of the returns. Prominent officials have declared that the State shall go radical if it is necessary to count 1000 majority out at every poll in Jefferson county, but the outrages contemplated will not be submitted to. The people are aroused, and the indignation is difficult to control. The Democratic State Executive Committee are vigilant to prevent fraud.

Another dispatch says that both parties claim the State. Great excitement prevails. Drew is elected by at least 1,200, but with Chandler's million of dollars and the army to back them, it is feared the Radicals will count him out. The honest people of the State may not submit to it, and trouble is expected.

LOCAL MATTERS.

Telegraphic Transactions.

Bundles of telegrams, duplicates of private dispatches which have passed through the office here during the past few days, are piled up in the office to the amount of a trunk full. The operators have been working day and night, but little snatches of sleep "between times," and the business of the office has been greater than it has been since the Merrimon-Caldwell election of 1872. Then it was worse than it is now. Every fellow sent his little telegram then, and the click of the instruments was ceaseless. During the exciting times of the past few days, Messrs. Starke, Busbee, Hill, Jones and Fernill have done their part right nobly, and yet as insignificant a prayer as could be uttered is that the Lord will give them a little more credit for their fidelity than the public will ever think of giving them.

A North Carolina Bureau in London.

James Thorn, of 85 Grace church street, London, proposes to establish in that city a bureau at which can be obtained all information concerning the geology, agriculture, climate, soil and other advantages of the State of North Carolina. This is for the benefit of capitalists who may propose to emigrate to this State or purchase lands here. Such a bureau in the great city of London, can be productive of nothing but good to our State, and we hail the news of its establishment with sensations of real gratification, believing that by means of it people across the waters will learn more of the desirability of our State for residence or investment than is likely to be communicated to them in any other way.

The Prevailing Dullness.

Anxiety to learn how the votes of South Carolina, Florida and Louisiana will be returned and who will be declared President upon these returns, absorbs all things else. The public talk and think of nothing except politics. Before a reporter can ask a man for news he is asked for news himself, and is so beset that he is glad to get through the streets with his life. By and by we shall all get down to a business basis again, but at present the public is wild on politics and can bring itself to think and talk of nothing else at all.

Meeting of the T. and V. Club.

We are requested to call a meeting of the Young Men's Tilden and Vance Club, to take place at Metropolitan Hall on Monday evening next. This is perhaps a final meeting of the club, and considerable business is to be transacted. The members are urged to attend in force and with promptness.

KILPATRICK'S VISIT.

General Judson B. Kilpatrick departed from our midst yesterday morning. He left by the earliest train, for Washington, we presume. He came as a thief in the night: he departed like a detected criminal. He came—he saw—but, unlike Cæsar, he did not conquer: he wilted. He sneaked into the city: spent the night with the carpet-baggers and the Governor; and then he shook the dust of Raleigh off his feet; nor did he stand upon the order of his going, but went at once.

It would be idle in him or his friends to attempt to conceal the object of this nocturnal visit. Its purpose was manifest—to devise some scheme by which we might be cheated out of our victory. Some sort of devilish tactics were to be employed; some falsifying of the returns; some seizing upon technicalities; some buying up of those entrusted by the law with consummating the verdict of the people at the polls. Unquestionably, he was on mischief bent.

His mission failed. The prompt exposure of his designs, disconcerted his plans; and he has ignominiously fled to the tents of wickedness from which he came, with as much haste as characterized his flight in his night-shirt, when Wade Hampton charged him through the woods near Fayetteville eleven years ago.

He seems to have not succeeded in capturing the Secretary of State, to serve his diabolical purpose. In a statement which we publish elsewhere to-day, Dr. Howerton denies that he was closeted with Kilpatrick, as we alleged on yesterday, and insists that he never saw him in his life, and that he knows nothing about any conspiracy, and has "nothing whatever to do with it."

We are glad to have this declaration from the Secretary of State. We did not believe that he would enter into any conspiracy of this nature against the liberties of the people of his native State. No evil designs against the returns can be carried into effect without Howerton's connivance. These returns involve the very life almost of the nation. They will be watched with unceasing vigilance from now until Tilden is seated in the Presidential chair.

Let the man, here or elsewhere, who even harbors the base thought of tampering with these recorded evidences of the people's will, beware! The day for quiet submission to wrong-doing has passed. We are free now to defend ourselves. We will not be robbed of a right—nor a privilege—nor even a single ballot. And it is well for the Kilpatricks to slink away.

ONE of the impossible things is to tell how many of the Radicals deserted Settle on the 7th. They are numbered among the thousands. Deserters are not as popular now with his Honor, as they were. He has found now, perhaps, that the men who did desert didn't thank him for reminding them and the people of it; and that the brave men who stood to their guns until the last shot on the field of Appomattox, despise the man who would seek to make capital out of desertion.

WHAT was Governor Brogden doing with Kilpatrick Thursday night? We believe he was there for mischief. Let him speak out now, or forever hereafter hold his peace.

SOUTH CAROLINA is redeemed. It was not in vain that the good people of that stricken land went with their troubles to the throne of one mightier than Presidents and parties.

THE RADICAL GAME.

It is all apparent now. The plot against the liberties of the people stands revealed—and it is an ugly thing to be sure.

The game is this: South Carolina, Florida and Louisiana having gone Democratic, undoubtedly, the Republicans propose to falsify the returns by an act of unblushing, and unparalleled despotism, so as to give the certificates of election to the Hayes electors, in spite of the popular vote for Tilden; and take the chances in the official count at Washington.

The knowledge of this conspiracy transpiring in the States of Florida, Louisiana, and South Carolina, has aroused public indignation to a pitch which threatens open violence to the arch-scoundrels who are manipulating this scheme. Hence the rushing of troops into Florida, and the activity in military circles in South Carolina and Louisiana.

The aspect of affairs is grave, indeed. The people have elected a President; and the office-holders are saying he shall not be counted in. That is the situation.

Gov. Tilden is equal to the emergency. The Napoleon of politics, he has inaugurated a movement which promises to defeat the devils.

At his suggestion, the good and the great men of the North are hurrying to the Crescent City to see that fair play is done. AN HONEST COUNT IS DEMANDED, by Northern men. United States Senators and Governors, who wield a military power not inferior to that of the White House Despot.

Let the South stand with folded arms—at present. We have given the Northern people an honest man for President. Let them seat him or not, as they choose. We have Vance, God bless him!

THE day of the carpet-baggers is ended. The next one who comes will be as much disappointed when he noses around for something to steal, as was the Jerseyman, who, when asked into the art gallery of the exposition the other day, after looking about with a disappointed air, said to a friend, "I reckon the show must be about over. I see they've taken out all the the things, and left nothing but some pictures hanging on the walls."

DR. HOWERTON appears in a card to-day, denying the allegation that he was with Kilpatrick Thursday night. He recognizes that it was a disgrace to be connected with such a conspiracy as Kilpatrick plotted, and is quick to exclaim with Macbeth:

"Thou canst not say I did it: never shake
Thy gory locks at me."

THE office holders who have been fattening on the people for eleven years, must now prepare to work for an honest living. Every mother's son of 'em should be turned out of the places they now hold.

THE ink-slingers paraphrase it thus:

Now is the winter of Southern discontent,
Made glorious summer by this son of New York,
And all the clouds that lowered o'er our land,
In the deep bosom of the ocean buried.

THE Greensboro ring has been smashed. Vance, Scales, Holt, Staples and Lyndon Swain did it.

TILDEN'S broom will sweep the carpet-baggers clean—into the penitentiaries, we hope.

BROGDEN and Kilpatrick. They were thick as thieves that night.

WE have at last found the turning in that long lane.

Victory.

[*Petersburg Index-Appeal.*]

The Election of Mr. Tilden to the Presidency of the United States, is established beyond the shadow of a doubt by the dispatches which we publish in other columns. At the hour of of 8 a. m. at which we write, it is impossible to do more than congratulate our readers and the good people of all the country, on this grand victory of Reform, by which the Constitution is given new strength and life, and the bonds of sectional fraternity knit anew. Fortunately, the result is not due alone to the vote of the "solid South." Great States of the North have come up grandly to the support of Tilden and Reform. There cannot be the shadow of a pretext for revolutionary proceedings on the part of the President, or the Senate. Let us thank God, and take courage.

Splendid has been the fidelity and courage with which the Democracy have fought their fight and won the victory in New York, New Jersey, Connecticut, Indiana, and perhaps Wisconsin, Pennsylvania, and Michigan. Especially grateful to us, as Southerners and Virginians, is the redemption of the Carolinas. All honor to Vance and Hampton—the heroes of this victory of peace.

Spain still proclaims through the Premier, Canovas del Castillo, that she will not give up Cuba at any cost. There is however, a suspicion of whistling to keep the courage up in the fact that such an announcement is made at all, while every soldier that can be spared is being packed off to the Gem of the Antilles.—*N. Y. Herald.*

Deplorable Condition of the Poor of New York.

Dr. Raborg, of New York gives a most deplorable account of the situation of the homeless poor of that city. He says that among them are forty thousand vagrant children and that many soldiers' widows, dependent on sewing for a living, are at times compelled to seek the police stations for shelter and a place to sleep in. With respect to the homeless children, he states that hundreds of them become confirmed drunkards and thieves before attaining the age of twelve years, supplementing the statement with the assertion that there are groggeries in which a child is sold a drink of intoxicating poison for a cent. Dr. Raborg personally investigated these matters, and claims to know whereof he speaks. He adds that all the metropolitan asylums for needy children are overcrowded, notwithstanding the large number left to the mercy of the streets.

"I believe if the election turns is favor of the Democratic ticket it will produce a millenium. Our citizens will begin to repair the damages which the war has made in their business. We are not prosperous. How can we be prosperous? Since the war we have done nothing but contend against one another. Our public representatives have been legislating as class against class; have imposed burdensome taxation; have been holding a carnival of public plunder, and erecting a class of office-holders against the people.—*S. J. Tilden.*

PERSONAL.

Mr. Bayard Taylor considers that the highest order of works which merely amuse are those of Bret Harte.

The Paris *Journal des Debats* refers to J. M. Baily the Danbury *News* man, as "J. M. Barley, the news dealer of Danbury."

Miss May, the bride or bride elect, as the case may be, of James Gordon Bennett, has expended $20 000 on on her trousseau, which has lately arrived from Paris.

Hon. A. H. Stephens walked three or four miles the other day. He no longer uses morphine, and has sound natural sleep. While getting well he has been writting for one of the cyclopaedias.

Bessie Turner is a waitress in a downtown restaurant, in Nwe York having lost a fine position as teacher by testifying for Plymouth church, which having no further use for her, leaves her to shift for herself.

It is stated that George W. Childs has bought the New York *Tribune*, to be delivered after the election, without its real estate for $500 000. He will take hold just in time to write one of his incomparable obituaries for the Republican party.

Gen. George Stoneman, United States army, has written a letter favoring the election of Tilden and Hendricks. He states that thirty out of the fifty living generals of the Federal army, who took part in the late war, are supporting the Democratic candidates.

Burlington Hawkeye: "They are performing the cantata of 'Joseph' at the opera house in Des Moines. They had no trouble in securing talent to represent most all the members of Potiphar's family, but they had to send clear to Burlington to get a man to play Joseph."

Governor Tilden was registered in New York on Friday in the twenty-third election district of the sixteenth assembly district, at No. 244 third avenue. He said he lived at the election district eleven years in the assembly district twenty-three years, and in the county thirty-seven years, and was sixty two years old.

John Esten Cooke, in a sketch which appears in the Detroit *Free Press*, speaks of the early trials of Thomas Jefferson, and how the sage of Monticello, was crossed in love. He adored a Miss Burwell, she must have given him the mitten, for we soon find him writing in the saddest strain about his prospects and planning a sail boat voy age to Europe.

THE CITY.

☞ THE SUBSCRIPTION LIST OF THE DAILY NEWS IS LARGER THAN THAT OF ANY OTHER DAILY IN THE STATE, AND MORE THAN DOUBLE THAT OF ANY OTHER DAILY IN RALEIGH. ADVERTISERS WILL MAKE A NOTE OF THIS.

——Church notices to-day, please.

——The Register of Deeds issued two marriage licenses yesterday.

——The Board of County Commissioners will meet to day, when the official vote of the county will be announced.

——Great Lordy! what an amount of stepping down and out there will be!

——The trains missed connection at Weldon yesterday, and the consequence was that no Northern mail was received in this city last evening.

Large quantities of cotton were in the city yesterday: the prices were depressed, but the people who brought it in heard the election news and were happy anyhow.

South Carolina.

R. W. Best, Esq., of this city, has just returned from a week's sojourn in Columbia, South Carolina. He says that the announcement of the splendid Tilden and Vance victory in this State was received in that city with the wildest enthusiasm. Cannon boomed, bells rang and sky-rockets ricocheted. Mr. Best also informs us that there is no doubt of a Tilden and Hampton triumph in that State. On Thursday, he says, General Ruger, commanding the United States troops in South Carolina, requested General Hampton and L. C. Haskell, Chairman of the Democratic Executive Committee, to withhold further election returns from the public in the interest of peace and good order. The negroes in that city and State are in terrible excitement, and grow perfectly furious when returns unfavorable to the Republican party are made. From the conversation of Mr. Best we are led to the belief that the Democrats have certainly elected their National and State ticket in South Carolina.

Dr. J. M. Worth Appointed State Treasurer.

His Excellency the Governor on yesterday tendered to Dr. John Milton Worth, of Randolph, the appointment of State Treasurer, which office will be vacant on the 22d instant, on account of the resignation of Treasurer Jenkins. Dr. Worth is the Treasurer elect, and he is appointed in accordance with an understanding between Gov. Brogden and Treasurer Jenkins when the latter resigned. In the letter tendering the appointment, Gov. Brogden urges upon Dr. Worth that he accept it, and take charge of the office immediately upon its being vacated by the present incumbent. He will no doubt do so.

Street Repairs.

The streets in different parts of the city are showing the good effects of the well-directed efforts of Street Commissioner Andrews. He has recently put in thorough repair the road leading up from Rocky Branch, just this side of insane asylum, through South and West streets, and the lower part of Wilmington, and has made new the Holleman road to the city limits.

Mayor's Court.

Tom Williams, colored, was arraigned for disorderly conduct, and was fined $5 and cost.

Wm. Matthews, for being drunk and disorderly, was dismissed upon paying the cost.

Andrew Pierce, colored, was up for perjury, in attempting to register and vote, he being a minor. He was bound over to court in the sum of $100.

Convicts Received.

Deputy Sheriff G. W. Murray, of New Hanover, arrived in this city yesterday, bringing to the penitentiary six convicts, all colored and all convicted of larceny. Their names and terms are as follows: Lewis Silvie, 5 years; Laurena Williams, Simon J. Winslow, Geo. Washington, John Johnston and Sheridan Devane, all in for 5 years.

Durham Delighted.

Last night we received a telegram from this flourishing little metropolis, stating that the whole town and township was rejoicing over the Vance victory and Tilden triumph. All the houses were illuminated, tar barrels blazed, bands played, cannons fired, sky-rockets hissed, and firecrackers popped. There was also a torchlight procession nearly a mile in length, with transparencies bearing all sorts of humorous and appropriate mottoes. Speeches were made by Messrs Lucas, Lyon, Green, Parish, Webb, and Lunn, the colored democratic orator. Our telegraphic correspondent winds up by saying, "On earth peace, good will toward men."

A Sad Occurrence.

We regret to learn that Mrs. Geo. E. Badger, relict of that lamented and illustrious North Carolinian, the late Hon. Geo E. Badger, was prostrated by a stroke of paralysis on yesterday. Mrs. Badger is an aged lady, but we, together with the whole community, hope sincerely that this attack will pass away, and that she will speedily recover.

We regret, in this connection, to announce that John Williams, Esq., of Florida, Mrs. Badger's eldest son, does not improve, and that but scant hope is entertained of his ultimate recovery.

Personal.

Gov. Vance did not arrive yesterday. It is now stated that he will be here next Tuesday.

Hon. M. W. Ransom is registered at the Yarborough House.

Kilpatrick left the city yesterday morning on his return to Washington. He told a reporter just before leaving that his business here was to learn positively how the election in this State had gone. Too thin.

Maj. J. A. Engelhard, the Secretary of State elect, arrived in this city yesterday afternoon, and is registered at the Yarborough.

Col. W. A Lewis, of Statesville, is in the city, visiting his brothers Messrs. A. M. and R. G. Lewis.

Treasurers Settling.

Sheriff Thomas H. Hughes, of Orange, settled with the State Treasurer yesterday, the State tax of his county for the current year, paying into the treasury as follows: Tax for general purposes $4,341.18; asylum tax $3.555 38; for educational purposes $8,184.41.

Sheriff W. R. Ashworth, of Randolph, is in the city, and will settle the tax of his county to-day. Thus the three contiguous counties, Alamance, Orange and Randolph, are the first to settle their taxes for this year.

Political Freedom in the South—A Colored Democrat Hung.

Rufus Ferrill, a colored man of good repute and one who has invariably voted the democratic ticket, was missing from his home in New Light Township, on Monday, the day before the election, and was found Wednesday, hung by the neck in the barn of William Mangum, in that neighborhood, and quite dead. There is no explanation of the sudden and tragic end of the man. It was not known that he had any personal enemies, and the most natural conclusion is that he was murdered for political opinion's sake.

A Terrible Accident.

Last night we received by telegraph from Statesville the mournful intelligence of the tragic death of Miss Lelia Armfield, the accomplished daughter of our Lieutenant-Governor. This is the telegram:

[Special to the News.]

STATESVILLE, Nov. 10.

Lelia, the accomplished daughter of Lieutenant-Governor Armfield, aged 19 years, was accidentally killed to-day by a pistol shot fired by her brother Charlie, a boy aged 17 years. A gloom is cast over the entire community.

Commuted.

Elias Powell, one of the negro murderers of the merchant, Cohen, at Whitaker's, Edgecombe county, 1875, who was to have been hanged at Halifax yesterday, but wasn't, after a fourth respite, now comes a commutation of the sentence to imprisonment to life in the penitentiary. The murder of Cohen by Powell and Williams, negroes, was one of the most cold-blooded ever perpetrated in this State.

Board of Aldermen.

Yesterday evening the Board of Aldermen attempted to hold a regular meeting, but no quorum was present. The following aldermen answered to their names: Adams, Cook, Flemming, Murray, Pescud and Upchurch.

On motion, the Board adjourned to meet again next Friday evening at 7:30 o'clock.

The Next General Assembly.

As far as heard from, it is learned that in the next General Assembly the Democrats gain 3 Senators and lose 2, and in the House, a gain of 10 Representatives, and lose 10. The Senate will stand: Democrats 39, Republicans 9, doubtful 3. The House will stand; Democrats 74, Republican, 46.

Named Them After the Favorite.

Everybody has noticed upon cotton bales the letters which signify things known only to cotton men. Yesterday those two enterprising young business men, Barbee & Latta, bought 100 bales of beautiful cotton—extra fine it was—which they shipped North right away, marking it first "Z. B. B." The consignors, as soon as they see this, will know that they are dealing with mighty solid men.

GUILFORD AND ROCKINGHAM.

Glory Enough for One Day.

GREENSBORO', Nov. 8, 1876.

Mr. Editor:—Hasn't our old county done nobly? And old Rockingham! May God bless her noble-hearted people! Think of it. Vance beats Settle here in his adopted county 288, and in his native Rockingham 563. And Ku-Klux Jimmy Boyd! His power is forever broken in his native Alamance. Scales beats him there 179, while in Scales' own county of Rockingham Jimmy is beaten 745.

In this senatorial district the result improves. Col. Thomas M. Holt leads Holton and Vincent respectively 602 and 651, while Col. J. I Scales leads them 619 and 668. This district was very close last year, electing one republican and one democrat. The excitement here is intense over the general result. We had a regular jollification to-day. What a glorious resolution! God be praised. GUILFORD.

The News is the only paper in Raleigh taking the telegraphic dispatches.

Card from Dr. W. H. Howerton.

Editor of News:—In speculating and commenting on the presence in this city of one Judson Kilpatrick, you say in your issue of to day, "for hours he was closeted with the carpet-baggers A. W. Tourgee, Tim Lee, Col. A. W. Shaffer, the Federal Supervisor, and Hester, the infamous, Governor Brogden, Secretary Howerton, and others."

Again you say:

"The deep significance of this visit becomes more apparent, when it is known that the Republican Secretary of State, and the Republican Governor were among those who were with General Kilpatrick. The Secretary of State must receive the abstracts of the returns made up by the Registers of Deeds, in the matter of electors for President and Vice-President. And it is the duty of the Governor, or in his absence the Secretary of State, to issue the certificates of election."

This publication of yours is all wrong so far as it relates to myself. I was never closeted with General Kilpatrick, either last night or at any other time. I have never seen General Kilpatrick in my life, to know him—would not know him if I should meet him; nor did I know he was in the city, the State or the South until I heard it last evening on the streets.

I was in the office of the Yarborough House last night about eight o'clock, looked over the register, met some friends in the public office, remained ten or fifteen minutes and went home. I did not see General Kilpatrick or any of the gentlemen named in your article this morning. I heard it incidentally mentioned, while in the office at the Yarborough, that Kilpatrick was there, but I attached no importance to his presence over that of any other guest and made no inquiries or remarks about him or the object of his visit.

Your article does me injustice, in that you publish a conspiracy, and connect me with it. If there be any such conspiracy on foot as the NEWS intimates, I beg to say I know nothing about it, and have nothing whatever to do with it.

The assumption that I would tamper with election returns, and thus prostitute the office of Secretary of State to partisan and criminal uses, is not justified by any official act of my life, and I trust you will correct the error you have been led into respecting myself by publishing this letter. Very respectfully,

W. H. HOWERTON,
Secretary of State.

MISCELLANEOUS TELEGRAMS.

McKee's Pardon Signed—How Congress will Stand.

NEW YORK, Nov. 10.—*Herald* special dispatch from St. Louis says the United States marshal has been notified that the President has signed McKee's pardon.

The *Times* figures Congress thus: Republicans 143; Democrats 143; to be elected 3. The *Herald* figures the Democratic majority at 25.

Mr. Watterson's Opinion of the Situation.

LOUISVILLE, Nov. 10.—The report that Senator Beck, Henry Watterson and others have gone to New Orleans, is premature. Mr. Watterson has not left this city, and in reply to inquiries, said that if the parties mentioned should go to New Orleans they would go in the interest of peace and order, proposing to exert their influence as far as possible over the excited masses now collected in that city. They could do no more in any event than to personally inform themselves. Mr. Watterson expressed the opinion that it would be eminently proper for Gov. Hayes and Gov. Tilden jointly, and by agreement to send parties of friends to New Orleans, headed respectively by Charles Francis Adams and Wm. M. Evarts and composed of conservative men who have the confidence of the country. He thought such an arrangement would be able to secure a fair count of the votes and satisfy the whole people, averting a most dangerous issue, perhaps an outburst of violence.

United States Senator for Nevada.

DENVER, Nov. 10.—In the caucus of the republican members of the Legislature, Hon. Jerome B. Chaffee was unanimously nominated for United States Senator.

The Feeling in Washington.

WASHINGTON, Nov. 10.—All demonstrations on the streets have ceased, a feeling of sullen dissatisfaction seems to prevail among all parties.

Democrats and Republicans Going to Louisiana to Superintend the Count.

NEW YORK, Nov. 10.—The following dispatch has been sent to Governors Ingersoll, Hubbard, Robinson, Bedle, Curtin, Palmer, McCreery, Carroll and others; also to Senators Thurman, Bayard, Randolph, McDonald, Kenan and other Senators, and to leading public men in the Northern States, Republicans and Democrats. The acceptances warrant a full representation at New Orleans:

"Citizens at New Orleans urgently request that a delegation of prominent gentlemen come there at once to counsel peace and a fair and honest return. You are earnestly requested to be one of ten or fifteen gentlemen, all widely known, to meet at Louisville, Galt House, Saturday evening, proceeding directly south, or if more convenient, meeting at the St. Charles Hotel, New Orleans, Monday morning. Your prompt acceptance by telegraph is requested. This emergency appeals to your patriotism.

ABRAM S. HEWITT,
Chairman."

PHILADELPHIA Nov. 10.—In accordance with the request of Governor Kellogg, of Louisiana, that prominent men should go from the North to inspect the counting of the votes in that State, the President has invited the following gentlemen to proceed to New Orleans for such purposes:

Hon. W. D. Kelley, of Pennsylvania, Gen. A. J. Garfield, of Ohio, Hon. J. A. Kelson, of Iowa, John Schonberg, of Pennsylvania, Gen. J. A. Logan, of Illinois. It is understood that most of these gentlemen have accepted and will reach New Orleans within a few days.

PHILADELPHIA, Nov. 10.—It is stated on good authority, that the President has also requested the following gentlemen to visit the South, in order to secure a fair count of the Presidential vote, in addition to those already named: Thos Beaver, Esq., of Pa., and Hon. Henry L. Stebbins, of New York. Judge Kelley has already left for the South.

Probabilities.

WASHINGTON, Nov. 10.—For the South Atlantic States, stationary and falling barometer, westerly winds, warmer and partly cloudy weather will prevail.

The Herald and Tribune Demand Fair Count in Louisiana.

WASHINGTON, Nov. 10.—The New York *Tribune* and *Herald* to-day have strong articles demanding that there be a honest count of the vote in Louisiana. The *Herald* says there must be no fraud in making the returns, but it must satisfy the honest, fair-minded men of both parties.

FOREIGN.

Lockout Averted—Appointed a Delegate—The Porte Silent on the Proposal—Heavy Cotton Transaction.

LONDON, Nov. 10.—The *Post* says an agreement has been reached between the master and operative cotton spinners of Blackbourn, by which the threatened great lockout is averted. Other papers on the same information do not consider the matter finally arranged, but regard an agreement highly probable

PARIS, Nov. 10.—The Count of Chandary has been appointed French delegate to the conference of the powers on the Eastern question. It is expected that the conference will begin its session in about a fortnight.

CONSTANTINOPLE, Nov. 10.—The Porte has not yet replied to England's conference proposal.

LONDON, Nov. 10.—The *Times'* Liverpool special cotton report, referring to the sale of 31,000 bales to the speculators, says: "This is a larger spot speculation than there has been for many years."

Troops Gone From Atlanta.

ATLANTA, Nov. 10.—One company of infantry has been ordered from this place to Tallahassee, Florida, and several from South Carolina.

Surrender of 400 Indian Lodges.

WASHINGTON, Nov. 10.—The surrender of four hundred lodges of hostiles, belonging to the Missouri River agencies, to Gen. Miles, is confirmed. Sitting Bull, with thirty lodges, escaped.

Told to Come Back for News in Three Days.

WASHINGTON, D. C, Nov. 10.—The district republican headquarters closed with a speech from Simeon Wolf, in which he told the audience to go home and return in three days.

Republican Confidence of Hayes' Election.

NEW YORK, Nov. 10.—The streets have been filled all day with excited crowds, much more irritable and less generous than heretofore. Several street fights have occurred. The Democratic State Committee still assert their perfect confidence in Tilden's election. The Republican Committee, a majority of whom have heretofore had doubts as to the result, are now perfectly confident of Hayes' election, and have so notified their correspondents. I understand Gov. Hayes himself no longer doubts his election, and is confident an honest canvass of the votes in the States that have been sent down as doubtful, will fully prove this fact to the perfect satisfaction of all fair-minded men.

Estimates of Doubtful States.

NEW YORK, Nov. 10.—The reports of estimated majorities from Florida, Louisiana and South Carolina, widely conflict. Probably nothing positively decisive from either of these States will be known before Monday next. The parties in the respective States estimate the majority as follows: Louisiana, Democrats 8,000, Republican 4 000; South Carolina, Democrats 1,200, Republicans 5,000; Florida, Democrats 1,700 Republicans 1,200. Everything is quiet in New Orleans, notwithstanding the reports to the contrary.

Boss Shepherd a Bankrupt.

WASHINGTON Nov. 10.—Gov Shepherd has called a meeting of his friends and creditors. He shows $6.0..0,000 in excess of assets and asks extension.

Excitement in Wilmington on Account of the Election.

WILMINGTON, Nov. 10.—The excitement here to-day over the present aspect of the Presidential election, is intense. At no time since the day of election has there been anything to approximate the deep feeling manifested this afternoon. The democrats claim that Tilden has been honestly elected, and if there is to be any trouble over the matter the people of the North must decide the question. The republicans generally sustain the position of the President.

Press Opinions.

WASHINGTON, D. C., Nov. 10.—The New York *Times* and *Tribune* still claim Hayes' election. The *Herald* is in doubt. The *World* and *Sun* claim Tilden positively.

The Centennial Closed.

PHILADELPHIA, Nov. 10.—The Centennial closed to-day according to programme.

OBITUARY.

HEADEN.—Died, in Pittsboro N C, October 22d, of diphtheria, MAGGIE LEE HEADEN, aged 6 years, 7 months and 10 days; and on October 24, PATTIE HUNTER HEADEN, aged 8 years, 6 months and 5 days, children of James H. and Euphemia Headen.

With all the unfolding graces of early youth, pure and fair, and devoted to each other with a love beyond their years, these sweet rosebuds of promise have been gathered into God's right hand, where fading and decay can never come.

With tender sympathy for the bereaved father and agonized mother, the reverent touch of friends folded the innocent hands of these little ones, for their everlasting rest, and the sorrow of an entire community beat with one pulse at the verge of the graves, where in so brief a time, these lovely girls were laid side by side. She precious dust, in soft repose. Your Heavenly Father shall clothe you yet again with purity and fairness eternal.

THE NORTH CAROLINA FARMER.

J. H. ENNISS:

DEAR SIR—I have been a practical farmer for forty years, and during that time have taken the best agricultural journals of the day, and I undertake to say that there is more valuable practical information to our farmers in the first and second numbers of the "North Carolina Farmer," than in any dozen copies of the agricultural papers I have taken, and I do most earnestly recommend it to every farmer in our State, as the paper for him, above all others.

PETER E. HINES,
